

- Shitty tattoos and Prison blues -

Every pin prick
was a filthy wish
for eternal oblivion

Roland 6/6/13

only the dead
and the hungry
envy the prisoner

Roland 6/6/13

I often wonder
after I die
will I experience
all the pain
I've caused others.

Roland 6/3/11

Purge -
I vomit
my soul at your feet
only to watch
you walk away
