

I would have guessed that wearing hot pink in the blazing arizonia sun would burn your retinas. I loved Stephen Kings books "IT" and "the Stand".

my favorite book is "The Road" by cormac McCarthy. My favorite color is gray. I strive every day to live in the middle of love and Hate. I imagine that color to be gray.

I love you courtney. I hope to hear from you soon.

love always
Roland

P.S. what is your favorite song? what is your favorite food?

my favorite song is Bad fish by Sublime and my favorite food is spaggetti.
