"I pity you Southern Baptist"

The New York City Police Department

Shame on you

Didn't Stonewall teach you anything!
During the month of June, Really, just what
the Hell were you guys thinking - I know
you weren't scared of this 140^{lbs} kid??
Or were you playing Rugby like the
Houston cop -- Come on - you just ~~set~~ ^{set} out
trust back decades - "fools" - What are
your Brothers in Blue who are gay thinking.
It will be one of us who saves your
ASS in the streets on day and the guilt
and shame will weigh even more - what I
wish more now is that one of your family
members who's gay or lesbian, looks at you with
tear's in their eye's - Heart Broken by
the Betrail you just committed.

N.Y.P.D. I Pity you too!
