Dear WolfKeeper,

Thank you for your assistance at both. I enjoy having this platform. I'm glad you're enjoying my art and poetry. I'll be sending some more in a few weeks. I'm also sending a letter to be posted and then sent to the Governor.

Which you're going to see a lot more. For this death penalty needs to end. Thank you again. Please take care of yourself and enjoy your life.

In Peace + Love

Jennie
