Family & Friend's

alright now! I GOT YOUR COMMENT'S
MY BAD ON GETTING BAC LATE... TIME HAS
AWAY OF OPENING DOOR'S IN A man's mind
& HEART. Thing's you think you Paid no Attention
to seem to POP in YOUR HEAD when they
matter. I find mySELF THanking God, for Thing's
that may BE odd. I HAVE no kid's, But I Thank
God for family. They don't HAVE 2 BE PRESENT
100% of The time. Im Thankful! I Thank God
that my situation HAS EnCORaged my Lil Brother's
that this life is not where it's at. when it looked
like I was loseing support unknown Friend's
POPED into my life and Pulled me up By
my BOOT STRING'S!! TOTAL STRANGER'S... Am I
Blessed I KEEP ASKING. I listen 2 other's STORY'S
who's ARE NOT FAR FROM my own and Thier mad
So much anger & Resentment and Pain. /

I love my family Despite it ALL!! and would
DIE 100 Time's over to SAVE one of em. Sound's like
Rambling huh? 😊 MY Point is this: Family & Real Friend's
Don't HAVE 2 BE here 24x7. no need 2 Hold on
to anger, Resentment OR Pain. Cause your God HAS
A funny way to Show you. You ARE indeed FAVORED
By Surrounding you wit The Right Family & Friend's
at The Right time. & I AM Thankfull. for mine.

with LOVE

With Much love
