

Dear Governor Scott

Satan is alive and well, and running ever so rapidly throughout the United States Government, using Judas disciples, to plant satanic seeds, into the minds and hearts of believers, like yourself, where these satanic disciples, distort the word of God, having believers commit evil vindictive acts, exchanging evil for evil, and being disobedient to Christ's commandments.

I seen you on face to face, talking about your faith, and being a Christian, and how you struggle with the death penalty, yet you just signed a bill into law, to speed up Florida's machinery of death. your signing death warrants left and right, killing human beings. your playing God, holding life and death in your hands. and you confess Christ to be your Lord and savior, while lacking love mercy and compassion for your fellow man.

America is perceived as a Christian nation established by God. And we therefore use Romans 13:1-7 and Peter 2:13-15 submission to the Authority of God's established Government, to justify the death penalty here in America. But America was not established by God, it was and continues to be established by satanic deceptive spirits. That Paul warns about over in Timothy 4:1. The deceiving spirits and things

taught by demons. America came about through a rebellious act where our citizens didn't want to pay its taxes and dues to the King. which Christ instructed us to do, see Matthew 22:21 see also Romans 13:7 "If you owe taxes pay taxes." yet we rebelled, and didn't obey Christ, or the scripture!" we did not comply with Peter 2:13. we did not submit ourselves for the Lord's sake to the King.

once we separated from England, our president, senators, Governors, Judges have had to take demonic oaths, swearing upon the Holy Word of God. our citizens before court hearings, senate and congressional hearings are required to take demonic satanic oaths swearing to tell the truth. Christ said, "let your yes be yes, and your no, no and he tells us anything other than that is of evil satan's doings, see Matthew 5:33-37.

so anyone who says America is a Christian nation established by God, is a satanic disciple planting the distorted seeds of Satan. "John 2:4 "The man who says "I know him" but does not do as he commands is a liar and the truth is not in him." And there is no truth in America being a Christian nation!" But there is evidence, showing that America, was established out of the demonic act of rebelling, against our King!" And that we continue, demonic acts of swearing!"

Remember demonic disciples have always been in the Christian Faith. For a demonic

satanic disciple embraced and kissed the son of God Matthew 26:49. And Christ said in John 6:70, "Did I not choose you twelve, yet one of you are a devil!" And this demonic disciple went out with the eleven and preached the Kingdom of God, see Luke 9:1-6. And the eleven never suspected the presence of "satan's seed," that existed in their daily lives. Just as you are unsuspectingly serving satan in your Governorship. you know in your heart that Capital punishment does not work. It is Flawed From start to Finish. It's not given to the worst of the worst. It's preserved for the poorest of society. And it serves no purpose other than inacting vengeance, upon our fellow man.

Some of the demonic Judas disciples preaching in the house of God today, will distort the word of God, and use "the old covenant" to justify killing our citizens! But read what God said in Jeremiah 31:31-34. about giving us a new, and better covenant, which is the more forgiving, merciful, blood of the covenant of Jesus Christ. Which you will also find in Hebrews 8:7-13 and verse 13 of God's Holy scripture, tells us that the First Covenant has now become obsolete. So, satan's demonic disciples, are trying to distort the word of God, and get you to live under the obsolete old covenant. For all was fulfilled on that Sunday morning, with the resurrection.

Remember Psalms 118:8 For it is better to take refuge in the Lord than to trust in man.

Christ did away with an eye for an eye.
 I'd like for you to reconsider, what you're doing for Satan, killing human beings. And our Florida Legislature, is filled with men and women, who Satan's seeds have been planted in their minds and hearts, to where they thirst for blood, and celebrate the taking of a human life. I watched their satanic celebration, clapping, high fives ect when they passed that bill to speed up these killings. I listened to their satanic Judas distorted quotations of the scripture. Yes they maybe believers, but remember Christ said there would be those who do miracles prophesize ect in his name, but he doesn't know them, no, those were demonic spirits working under the guise of Christianity! see Matthew 7:15-23. And remember, many will come to him as sheep only to find out they are goats, who will be cast into the eternal flame, see Matthew 25:31-46.

Governor Scott, I'm asking you in the name and in the blood of Jesus Christ, to bring these executions to a stop, and end capital punishment here in the state of Florida.

Thank you for your time, and I do hope and pray that you cast the vengeful seed of Satan from your mind and heart, and restore Christ's compassion love and mercy in its place.
