Don't Blame me

By BlueEgan

Is it my fault that I don't run around totin' rocks?
Am I a bad person, cause I get stopped by cops?
Is it my fault that they had to call on SWAT?
and I take hostages, when they surround the block.
Is it my fault that, people don't call me by my name?
but a pyromaniac, because of one tiny flame.
Is it my fault that the judge, taught me a lesson?
is it my fault I talk too much, 21 years for a confession?
is it my fault I have an attitude, is it my fault I curse?
you try to uplift my spirit, when the devil, make me worse.
is it my fault that the word hurt is very profound?
and evil corrupts my mind, negativity lurking around.
is it my fault that I'm my own worse enemy?
is it my fault that I don't know, who or what hinders me?
is it my fault I felt played, is it my fault I'm stuck?
is it my fault I'm too stupid, or I just don't give a fuck?
is it my fault that I'm not the one who does dope?
am I that perfect if so, why don't I have any hope?
why can't I cope, with this situation that I'm in?
and I don't have friends, to waste ink in their pen.
Guess I'm too good, is it my fault I got caught?
and I gotta do this time, all cause I never thought.
I'm not perfect, for I am a man of sin,
but don't blame me, just blame what lies within.
