BY EDITOR IN CHIEF AMY DUBBIS BARNETT

' Dating outside the box, it often when it comes to romance feels right to fish in a shallow pool. But I've also tested deeper waters— with positive results!

Here's how to deal with the stigmas and doubts of dating up, down or otherwise outside your comfort zone so that no matter what, you can get yours! —A91

Ms. Dubious is advocating, like herself, Black women dating white men

Let us - one and universal ALL - ask this only mental question and strong challenge to her is to find:

ONE White Woman from each of 50 States and Quote them IN EBONY Advocating that White Women date Black men ???

Her's is a Blind one sided crazy Love!
