I HAVE BEEN torn between who  
TO Share my two year certificate of  
Sobriety with. My Parents, My Aunts  
in Ky.

This means the world to me because  
out of it came my self coming out in  
Total. No more kidding, here or there.

I've come to this conclusion, even  
though both my parents and aunts have been  
a great source of support to me. My Reader's  
at Between the Bars and the students who  
gave me a voice to cry and celebrate  
each day, I want to share this with  
y'all.

Please Post Both Sides of this  
certificate and know how grateful I  
am to each one of my readers.

Thank you so much!

Peace,  
Billy
