Life should have a season entitled: speechless. That's how life finds me, located in itself. tryin to cope with prison & it's 1st love - discouragement. It's a dog fight amidst fights to stay encouraged. I got Jesus, but obviously I need MORE of Him. Pray 4 me.

B4 I attempt to say whatever comes to mind. please know... well let me start over

I thank U sincerely for takin the time to let me know that U found my posted words about "love"- & its struggle to obtain it, maintain it, & understand it - inspiring. needed your inspirational words terms & phrases to inspire me 4 higher :) Thank God for blessin those words of encouragement to brighten your day - we all need those, those sunny side up days & what have you.

I was more encouraged by the enclosed thought that "hopefully" one day you can read a book that I am "hopefully" writing. I am humbled that someone would ask me to write a book, especially as the old me was once shackled to pride & ego which sometimes tries to flirt with the new me th I'm strivin 2 B. In my heart I just want to write everything from my heart. Lord knows I struggle with the temptation to impress people with words. So that is my internal struggle with writin books. Am I writing from my heart or my mind?

book sells don't tell.

well I am inspired to write more. FINISH. & use time wisely. Meanwhile progressively pursue'n publication. At present I'm piece'n together WORD BECAME FLESH: A SPIRITUAL TESTIMONY which is a collection of creative essays about how I came to know that God was real thru my experiences. Yes nothing becomes real till it is experienced. See I must give God the chance to prove Himself truthful, loving, kind, supportive, etc.... It sort of works like any other relationship.

If John says he gone pick U up for work at 8am, U must allow him the opportunity to do so. Now say it's 7:50 & U believe that John ain't coming & decide to take the bus to work then later U can't claim that John's a liar & phony friend because in all actuality U didn't give him the chance to keep his word. Does that make sense?

Meanwhile I'm workin on several books just again have to finish them & edit them & find publishers who "get me" Most are written in an urban venacular so that hip hop can know that Jesus loves 'em & wants them to turn from the sinful lifestyle, cause roc'n Jesus jewelery & tattoos aint the cure all

But meanwhile I'm studyin marriage so a book can B written on that as well.

My heart is 2 BIG sometimes, on paper at least. Up close & personal love takes alot of work. & tru love

That's not the best segway to my next comment but it is what it is :) I meant to say.

Here's the thing that leaves me speechless wantin 2 sell my tongue to the cat. Here Heacliff!!! Back when I was a idiot I hurt alot of people some on purpose, some not so much. Mama always said I'm so smart yet so dumb. I say everbody I kill'd still alive. Does that make  $2+2=4$ ? Here let me put it another way for those hung up on the literal meanin of words! My moms said once on the phone, "Boy U don't know what it's like to have a child in prison it's like a piece of me died." ~~Now~~ now is the message clearer. People feel dead inside because of the pain I caused them by comin to prison. NE-who

I owe YOU the biggest apology. I don't know exactly who you are and ain't tryin to wierd YOU out but this is just crazy. Lord knows. I HURT SOMEBODY WITH YOUR SAME EXACT NAME: when I was a teenager. I know I hurt her emotionally & spiritually I am solely convinced that I ruined her whole life & led her off the deep end of a cliff. as i mismanaged my potential manhood, boys R like that, just tryin to impress each other. I was a boy a couple times.

So your words to write a book R more touchin. I view them as a way to get closure in my heart for the DAWNNORTON whose life I ruined. So without further ado A LETTER FOR MY DAUGHTERS is chiefly dedicated to her: 2 U

Sorry if I freaked you out just this is so not normal it's like when I found out there were like 3 Antoine Murphy 's in the world. Here I thought I was the only one :)

I hope you aren't offended or so freaked out that you stop readin my blog'd sentiments. Provided U do I hope U still will check it's listing for the official release dates of said books.
