

Daddy D's Butterfly

Spread your wings and fly
Daddy's Little Butterfly;
For there isn't nothing you can't be
Only if you just remember to try;

Daddy D's Butterfly

No matter how dark or how hard
Life might seem;
When you work hard, know that
Success will always seem;

Daddy D's Butterfly

Therefore, never feel as though
you are alone;
Because Daddy D., will always
be your rock-bone...

Daddy D's Butterfly
