LEROY BUTLER, FORMER GREEN BAY PACKER
AND JASON COLLINS, GAY, FORMER BASK-
ETBALL PLAYER. NEWS 3 CHANNEL 3000.
COM MADISON, WI. [JUNE 28, 2013].

Leroy Butler, who lives outside Milwauk-
ee, Twitted his support for COLLINS com-
ing out.

He said he felt most people felt like-
wise. So, he was astounded by the
virulent backlash, including a Madison
church guest-speaking engagement
cancelling. He said that he thought
things had dramatically changed.

NOW IN PROGRESS ON CBS.COM "BIG
BROTHER", WITH JULIE CHEN, ALSO HOST
CBS "THE VIEW"; CBS.COM, PLAYERS ARE
PLAYING OUT THIS OUTRAGEOUS RACIST -
GAMES AGAINST BLACKS AND ASIANS AND

anti-Gay bigotry.

Essentially, out of the pretty mouth of a photogenic blonde blue eyed sex pot, unfortunately, self-possessed and fatally flawed diamond!

As Ms. Chen, on "The View" [July 15, 2013] correctly proclaimed that show "House guests" exposes racism and anti-Gay bigotry in America is still ubiquitous.

The elite media and celebrities advocating post-racial America and Americans acceptance of Gay's rights resides on a gated FANTASY ISLAND.

Gay rights supporters compare their cause to the Black civil rights movement without contemplating its true ramifications. Recently they celebrated two Supreme court cases decisions. While silent on the same court devastating decisions in two Black civil rights major cases. Fisher v. Coalition to Defend Affirmation.

And gutting of section 5 of the 1965
Civil Rights Voting Act.

The thesis here is these Human
Rights are never fully attained.
