G'd made a verdant and well watered Garden. He made every living animal and plant within it. Then G'd made a Man to tend this garden. G'd had Man name every living thing in that Garden. and, as Man went about his task without a gripe, it was G'd that said: "It is not good for Man to be alone." [G'd determined that, none of the animals of the garden were suitable for Man]. So, G'd, caused a deep sleep to overtake the Man. and, while Man slept, G'd took from Man a rib from which G'd, Created Womb-man (woman) or Chiyim (lifetime), Chi (life). Not (eve) as we were told. The concept of lifetime (partner) was started in the garden. and was between a Man and Woman.

While Man was away at (work), the enemy of G'd seized the opportunity to come against the inhabitants of the garden by telling (Chi) that, what G'd had said was "not to be consumed (eaten) was good to be eaten. (Chi) without her Man (covering/head) heeded the words of that that was not her head. and, bit the forbidden fruit. The enemy stated: "it is not as G'd has said (in other word's, G'd is a liar. and deciver). You may eat of this forbidden fruit. and it will make you like G'd. This is why G'd doesn't want you to eat it because it will make you wise like unto G'd." Thus freeing you from subjugation to G'd and, your Man (covering/head). the idea of this [k]nowledge was enticing to the woman. It was something to be had.

God has given (us) certain commands as they are called. I prefer to call them 'instruction's.' which the enemy has been in the business of subverting, ever since. Even unto (our) believing that (Yahshua) died to make the 'instructions' of G'd, Obsolete. that Yahshua died to make pork eatable. That Yahshuah died to atone for swine and crab, vulture, lobster, Ect. Clean and fit for consumption. When Yahshua himself stated: "I have not come to destroy nor, change the 'instructions' of G'd. But rather to fulfill them." See, **Matt.5:17 - 19**. G'ds instructions are still in effect. The only law/Instruction of G'd that was fulfilled by the death of Yahshua, was the Law of Sacrifice(s) in temple worship. As the Priesthood was Changed at his Sacrifice/Death on the tree. See, **Heb.7:11 - 28; 8:1 - 13**. It is plain that, the spirit is speaking concerning the law/instructions/command of the earthly priesthood. Not the moral and ethical law of G'd. Many get this scripture wrong! and ignorantly deceive many. Also, since the sacrifice of animals were unacceptable to G'd. Having been found to NOT cleans the sins of man. nor to cleans the conscience of man. Nor, satisfy the wrath of G'd. G'd desired the death of the law breaker(s). The wrong doers (man). So, a body was prepared for the Mashiach/ Holy spirit/Codesh Ruach to inhabit. As was witnessed by the followers of the 'body.' See, **Mark 1:10 et seq.** "the spirit descended upon him bodily, as a dove." See also, **Heb. 10:1 et seq.** Why is brother Paul speaking of Sacrifices and temple worship with regard to the law. If it was G'ds moral and ethical laws that were abolished? **Ps.40**. Yahshua was the body prepared by G'd for the righteous sacrifice. The Blood of which does actually cleans and atones. and put the true believeres at peace with G'd. the peace had before Adam sined. with all the power that Adam lost through his spiritual death.

Through the truly cleansing blood of Yahshua, we have the ability to obey the moral and ethical laws of G'd. and have been restored to the place lost by Adam in the verdant garden. That is if we have the sprit of G'd. See, **Rom. 8:9 et seq.** the above, are the promises of G'd found at **Jer 31:31 et seq; Ezek. 36:25 - 33**. Being fulfilled in Yahshua Mashiach. NOT a destroyer of G'ds instructions. but a life giving spirit! Please pray for understanding. G'd has promised to give it to all that ask of him.

Please feel free to write and respond. to share your opinion and belief's. I will Respond. G'ds Peace, through Mashiach Yahshua!
