My first book of poems has been accepted and published as an ebook by [ebooks-by-crooks](http://ebooks-by-crooks.com). It was placed online in July 2013.

I began writing poems a few years ago and have had dozens of them published in various print and online journals. The poem from which the book title is taken, What Prison Teaches, can also be found on youtube.

I would appreciate it if you would buy my book and I would welcome any feedback, critiques or comments you would like to make. You can comment on this blog or send me an email to [harlanisms@yahoo.com](mailto:harlanisms@yahoo.com)

I look forward to hearing from you.
