

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

Dear Jess

Good morning, I received your comment last night. Thank you for writing. My address is the same.

As you can see things have really improved since that unethical warden was removed. Just got my regular recreation back last week, so things are looking up. I look forward to you dropping me a letter. Please take care of yourself and I hope to hear from you soon.

God bless
In Peace & Love
