Hello World!

Unfortunately, my extended time in prison has denied me the gift of children. So instead of being able to brag on them I wish to offer the attached images of my creation, that which will be a part of my legacy, and which I give the credit to God in helping me to survive to write it.

Behold! A Year in a Life Sentence. It is my hope that for those who endeavor to read it, that beyond the murder, rape, gangs, and physical and emotional abuse, you will find what I have, and that is the grace of God.

Thanks for checking in on me.

Cordially,

Gregory Barnes Watson

A YEAR IN A LIFE SENTENCE

"Serving 'life' and serving God ain't easy," says Gregory Barnes Watson, "and if you believe it is, you haven't read your Bible."

The author, a convicted murderer sentenced to 34-years to life, shares his daily walk on a California prison yard while struggling to co-exist with rapists, child molesters, gang members, and other murderers. *A Year in a Life Sentence* is a candid look behind the barbed wire topped walls and steel doors to a world where getting along is usually discarded for anything goes and survival of the fittest. Here, the author shows that it is possible to seek God's grace, strength, and enlightenment in every situation.

Gregory's honesty in his own shortcomings is refreshing and a reminder of every Christian's battle to be Christ-like. "It ain't easy," is a trumpeter's call for Christians to admit that sin envelopes every one of us, and the 'world' hates us, but regardless of where we are in our walk or where we are walking it, God's grace is sufficient.

For the Christian and non-Christian, *A Year in a Life Sentence* provides hope that all men and women regardless of many wrong turns can set their feet on a straight path. In addition, as Gregory clearly depicts, the path will never be smooth, and obstacles abound to test growth. However, if you have even a small measure of faith and depend on the Lord throughout, if you falter and fall, you will overcome, and like Christ rise again.
