

\* Common Lies that  
\* are told by Prison  
\* officials  
\* \* \* \* \*

Prison officials always use words that will take spot light off them. Like saying They, Them, or Brass when in actuality they are Them and Brass. As a unit they've made the make up of prison. Some of the common lies they use frequently so they don't have to do anything for the inmate. And God forbid they hate us. But I know it's because the torch is always continued to be pass on by veteran employees.

- (1) IF you complain about something missing out of your Bag lunch - Their response Oh! No ~~one~~ got any - The neighboring is having the alleged item at lunch time.
- (2) IF you need to have the cop to do something for you. His reply - I can't promise, but I'll see what I can do. And you never hear from him again.
- (3) I'll do it for you tomorrow just remind me. Tomorrow comes and you remind him - IF you keep bugging me you won't get anything will be his reply.
- (4) IF you ask why were on lock down status - They always reply They don't tell us anything. The list goes on and on.
