

What's up with you 1st B viewers I apologize for not responding to your comments right away. Between the Bars just sent me your comments today 7-3-13 I would of wrote sooner but Between the Bars sent my mail to my old prison. Now I am responding to your comments sorry things took so long.

This is my reply to you:

I'm sorry it took so long to get back at you. I'm kinda confused on your comment, and I don't wanna take anything out of its context's but if my poem was clear to you... then your message was clear to me, and I'm glad it was my poem that got your attention. Now I gotta figure out how to keep it, me being in a vulnerable state of mind I don't wanna take anything out of its context, but on the other hand I hope my thoughts are right, but I must admit I wrote the poem for one reason, to get a reply so thank alot. Here's a gift to you from me. I hope you like it. I hope you have read this poem let me know if you have.

The heart knows what it wants

The heart knows what it wants  
it understands the unthinkable  
It speaks volume on another level  
You and I will never comprehend.  
The heart will contest for a position  
were it feels it belongs.  
The heart holds precious value  
what we try to take into

that  
unconditional love

and  
tender affection.

The heart plays a beautiful melody  
that can sooth your soul for a life time.  
The heart pumps a formula called passion  
through your veins  
it lingers with love  
rare sweetness.

The heart is made of rich velvet  
that keeps the body and soul  
warmed up for love.

The heart knows what it wants  
listen to your heart  
it knows what it  
wants.
