

THIS REMIT IS TO JURY

I understand your Poem I can relate to some of it a lot of ;
what you said hit me real nice. Me being in Prison I understand
that these People want to strip away my identity when I am
in a bad situation I away make it much worse then what it all
ready is. I hope someday someone would look at me as a ~~man~~
human that made bad decision, but still have good quality. If
People just take the time to get to know us they might like what they
see or hear. A lot of People judge books by it cover and never take
the time to read the contents in that book. I hope this Poem is left

Winner

Life is a fight, so ignore those
who try to discourage you
from achieving your goal
in life.

Make it known to the world
that you are a fighter
and

you refuse to allow anyone to
come between your dreams,
break you down,

take control of your destiny.

Visualize that perfect unique future
and run to that one perfect destination
and never look back.

Believe in your self,
understand your self,
go for what you want in life
seek and own it.

never give up hope
cause

you are a winner.
