

Wofkeeper

Well I'm really glad you loved my New poem.
Because you are the one that inspired it.
And really that all I have inside me right now
in pain and loneliness. Because its hard when you're
in here and really dont have anyone out there.
But I make do the best why I can. Thats why
I write if I didnt I think I would go crazy
in here.

But any ways I'm working on a New poem right
now and it should be done soon

Joe
