

Dear Rita,

07/29/13

Hi again!

I'm glad that Maria, your neighbor, had a great birthday. Few people in this country would ever know their neighbor's name, much less celebrate their birthday. Everything sounds so wonderful there.

You have a daughter in San Diego? And she may go to school in Sweden? Wow! It's great that she travels so much. I wish I had traveled more. At least in Sweden she'll be closer to you.

As for music, I do like a variety, but my favorite - and all I have on my MP3 for the most part - is disco/dance music. I love to dance & hope to be a dancer/choreographer in my next life! I have dance music from old disco from the 70's to the present. Unfortunately we only have one playlist on our MP3 or I'd get a wider variety, but for now I just want to be inspired to dance. I sure hope everything went well with George!

Hugs.
