

Hater's clog

I am free to be who I am
free as eagle gliding in the sky
ooh! this feels so good!

Look at you, you are in prison.
Nobody cares about you. That's
why you never getting out.

Wow! I am meeting a lot of good
people on the website. This is
great! I am excited!

Honey, you don't know those people
when you get out. They going to kill
you.

I am at so much peace. I think I
am going to my cell so I can get
some sleep.

I think you just want to control
this cell

yeah! Someone sent me \$500. This
is a blessing.

She ain't gonna have no money soon. It
will all be gone

The hater's clog will never go no where. But know
that you are someone special. Cause you ^{are} always on
somebody's mind. So ~~strut~~ strut your stuff and
hold your head up!
