To this writer there is Big Trouble on the show, as History with Rosie O'Donnell repuns itself, Now with Whoopi Goldberg - Starring.

Ostensibly, Whoopi has usurped control of the hit show; Where Rosie humiliatingly failed.

Instead of "HOT TOPICS", Whoopi does Whoopi [i.e. a Comedy bid], then goes to commercials.

Lovely Elizabeth left to FOX TV last month.

Joy last live day was [8-08-2013].

Barbara is set to Retire. SEE ABC THE VIEW ABC.COM 5-13-2013.

But the "PUSHOUT", old Rosie, is ON !!!

Sources reported Whoopi made disparaging remarks [i.e. glad she retiring, etc.] about Barbara.

ON August 08, 2013, ON AIR [8-07-2013] Wednesday, she denied the allegations.

Howard Stern, playing Donald Trump Part in Rosie drama - asserted when guesting ON "THE VIEW", he could tell Whoopi did not like Barbara.

Odds are Whoopi days ON "THE VIEW" are numbered.
