V1  
I came up, from da gutta trippn,  
so i know, what itz like,  
2 see kidz, n third world poverty,  
want a new, pair of nikez....  
Haven 2 ditch, da police litez,  
wantn 2 claim, we sell dope,  
throwing us drunk, n paddy waggonz,  
2 beat us up, wit batonz....  
Puttn it down, on da asphalt,  
where no whitez, wanna live,  
blamen everything, on us thuggz,  
sayn we influence, dey kidz....  
N not caren, about us trapped,  
growing up, n da slumz,  
so dey hire, police 2 protect dem,  
bustn my people, wit drugz....  
Being railroaded, by da system,  
roundn us up, like cattle,  
n if u blakk, n dont got money,  
u up shyt creek, wit no paddle....  
Tryna depict us, as terroristz,  
haten my people, 4 nathan,  
hiden us blakkz, n prison cellz,  
kuz dey fear organizationz....  
V its everyday, dey covern up,  
whatz really going on,  
not lettin da publik, hear da truth,  
so dey droppn da bomb....  
Scared 2 give bak, 2 our people,  
naken amerikkka rich,  
derz mo' prisons, dan skoolhouses,  
n dis world, full of shyt....

V2  
Trippn out, off da police lookn,  
2 pump bulletz, n our baxx,  
kuz da musik, im steady bumpn,  
got dem all, haten rapz....  
When dey keepn, my people scared,  
of gettn hung, by deze whitez,  
telln us all, dat we aint shyt,  
not respectn, our rightz....  
Seeing pro athletez, trippn out,  
once dey make, all da loot,  
n do some stupid shyt, like Pacman,  
when dey give, u da boot....  
Hearn dem say, dey given bakk,  
not forgettn, where dey from,  
but i dont hear, nobody donating,  
money bakk 2 afrika....  
N femalez, wanna sleep around,  
playn foolz, 4 dey money,  
aktn scared, 2 hear da truth,  
liven n dis, racist ass country....  
Being held bakk, bekuz im blakk,  
witout no proper, education,  
n all da textbookz, n da skoolz,  
give out, false information....  
N no wonder, my people dying,  
or facing incarceration,  
so whitez can have, us minoritiez,  
workn on his, jail plantation....  
Any person, who dont believe,  
dat racism, still exist,  
why dey tryna kill, Barak Obama,  
from becomen, da president?...

V3  
Why everytime, us blaxx get killer,  
dey wanna say, we all croox,  
telln dey folkz, n all amerikkka,  
we should all, get da noose....  
Always sayn, dey cant trust us,  
n jus look, what dey did,  
enslaved my people, like n da bibl,  
Killen our motherz & kidz....  
Kidnappn, my peepz on boatz,  
2 pick cotton, n fieldz,  
n everyday, tryna braiwash us,  
wit dey false religion....  
Wantn 2 call, da president,  
2 ship my people, som food,  
but rather blast us, bekuz dey mac,  
at my geez, n da hood....  
Look at da mess, da world is in,  
tryna keep, da wealthy rich,  
n have blaxx, like me n da gutta,  
walkn in stoz, wit a trench....  
Jus 2 provide, foe my family,  
im maken tax free deniro,  
n all my life, i aint had nathan,  
burying sukaz, wit shuvles....  
Even haven, 2 watch my bakk,  
from mexikanz, hoppn borderz,  
fightn n warz, against our people,  
misplacen hate, on us brothaz....  
Now amerikkka, lives n fear,  
of other countryz, gettn big,  
startn warz, 4 no damn reason,  
being controled, by da government.

Chorus:

I grew up, n da ghetto starven,  
so i know, what itz like,  
naken up, everymorning hustlen,  
jakkn foolz, 4 dey ice....  
Always mindn, my own bizness,  
gettn harrassed, by da pigz,  
when dey call me, da "N" word,  
does racism still exist....
