

You promises SUCK...

You promised me a life time
I believed you
You promised to love me
I believed you
You promised not to hurt me
I believed you
You promised never to cheat
I believed you
You promised that I was enough
I believed you
You promised My being TRANS was O.K.
I believed you
You promised unconditional love
I believed you
You promised "it will never happen again"
I believed you
You promised forever
I believed you
You promised "not to hurt me again"
I believed you
You promised acceptance
I believed you
You promised
You promised
You promised
YOUR PROMISES SUCK...
