Well it's a page taking back my last name im not willing to do so and I wont do it!

Yes, I do have a choice, I just want to make the Right one I think he should know me and the mistakes I have made and even then he overstands Right from wrong.

visits are possible, but his mother working with me is what's not going well, she's the type to take my incarceration and use against me, the mother makes it difficult!

I write and sends my letter's back, his birthday is Sept, 14, 05 he will be 8 years old,
