

Wolfkeeper,

Thank you for taking time out of your life to write me and for the transcription of my post. Being apart of this wonderful experience has allowed me to begin the process of purging my conscious.

It's a blessing that I can make enough sense that people can relate to what I write or just send me words of encouragement. Even though I am surrounded by hundreds of people I still feel alone. When you and others write to me I don't feel so alone.

Here's a poem I just wrote the other day.
- GALE -

Pages and pages
of my memories
were blown away
in a violent gust of wind.
Running in panic
to retrieve as many as possible.
if too many get away
I will be utterly alone

Robert 8/14/15

Thank you again for your kind words and time.
