

What Now - August 2013

To everyone who know me. I have recently had a dramatic life change. Only through Jesus. Before I go any further. I was a man that indulged in Homosexual activity hard. Sex I could not live without.

Now I am saved through Jesus Christ. I no longer indulge in homosexual activity. I try to walk the life God intended for me.

There is someone who is reading this that I had homosexual encounters with. I still love you and hope you give your life to Christ. The voices and depression is easier on me. I have not had sex with a man I also do not masturbate anymore. Not even to a proverted thought. I still wish to communicate with you. You are still my best friend. I wish to see you on the outside alive and in good spirits. I don't think the homosexual thing was for you. It is not for anyone. There is a lot of health risk and abuse with it. I want to apologize for taken advantage of you. I believe I pushed homosexuality on you and you felt you had to do it because you was my friend. I was wrong. You be who you want to be. And I am sorry. Please forgive me.

Though my experience in life with sexuality I have contracted an STD and someone I messed with is showing sign of HIV and is being tested for it. So please anyone who is a Christian or what to believe there is a higher power. Pray for me. And I will let you know how my testing goes. I also need a prayer for strength and peace.

Now, I want to tell you how my life is now. I am enrolled in GED classes, the teacher say she believe's I should be ready to test out at the

end of this month. I am planning on enrolling in the college course here. Also I am housed on F4² Green unit. They changed the units here. F-Red unit is Sex recid unit. F1-purple unit is transition, F2-Blue unit is victim/low risk unit. F3-yellow unit is medium risk F4-Green unit is Sexual predators high risk. I don't care where I am my release date is soon. If I beat this I get out December 30, 2015. I start my new job tomorrow as the Chapel series. I am looking forward to that.

Well if there is anything you want to know that I did not mention in this blog, leave a comment asking. You can ask anything I will be 100% honest. Tell next time Peace and God Bless!
