ONCE too many times more Pres-
ident Barack Obama and the public
eyes our Nation will gather in Wash-
ington, D.C. to focus on the 50
years anniversary of Dr. Martin Luther
King, Jr.'s [MLK, Jr.] Famous! "I
have a DREAM SPEECH".

ON August 17, 2013, "CBS SUNDAY MORN-
ING.COM" introduced us to a Black

Gentleman, 76, who owes the only existing Text of that speech. He refuses a 3 and half million dollars offer. It's Priceless. Not - Never for sale.

: We applaud his Noble character.

Further on Newshour.com (August 8, 2013) U.W. Madison, WI., Prof. and Author of New Book "THE MARCH ON WASHINGTON" (c.) 2013 William James and Anchor Gwen Ifill discussed the real purpose of that truly historic march. That is Jobs; Voting Rights and Economic Equality, and so forth.

Enough is enough! All this Dream stuff is a nefarious scheme to reduce the phenomenal Dr. King into a Don Quixotic comedy.
