

I would like everyone to know that I'm circulating a petition on Facebook: Justice For Daniel Gwynn. I'm seeking help in freeing this innocent man off of Pennsylvania's death row. The state has convicted an innocent man, and the state courts has refused to acknowledge that they made a mistake. The evidence uncovered in my case proves that the prosecutor lied to get his conviction, and that my identity as a suspect fraudulent. I do not match the suspect identification, and there were no eyewitnesses to the crime. And the false confession was made under the influence of crack-cocaine withdrawal & police coercion. The false confession doesn't even match the crime scene facts! Join the fight to help save an innocent life.

A handwritten signature in blue ink, appearing to read "Daniel Gwynn". The signature is fluid and cursive, with a long, sweeping underline that extends to the left.
