Don't walk behind me,
I may not move,
Don't walk in front of me,
I may not follow,
Walk beside me,
For we are equal - always.

In many things there's people who want us to walk behind them because they believe they are better than us, then there's some that want us out in front so we don't see them slacking, or because they need us to lead them.

So where are all the rest that deserve an equal spot on these adventures?

Since I'm stuck in prison for now, how about sharing your adventures?

Even if it's a short one, even if it's not a good one for you, still, share it.

Always,
