my addiction
to living.

IF there is a god?
I expect him/her
to tell me

Fuck You

IF you cant take a joke.

After I explain
how shitty my life was.

- old lady, New lies -

She told me

She was lonely

thats why she

was with him.

I wish

I could tell her

Being loved by her

is about as much fun

as playing with a bag of dead kittens

— Great fucking guy —

Come here

tell me a story

You see

Im sick of my life.

Help me

forget myself for a minute
or two.

I long for things

Ive forgotten.

New lies.

Seen myself

dying ~~alone~~

alone,

no longer care.

eyes refuse to surrender

any more tears.

wounded child soul

grow up

endend up killing my lorst for life.

Ive got four kids

Other Men raised.

Waiting for them to grow up
and walk away from me.
