

Sorry To those who Read My Postings pg 1 of 1

I have had a terrible 2013. A good friend of mine fell out of contact with me, my family on my Dads side lost touch with me, my Aunt fell on hard times, conditions of the prison got bad, and then I was told to wait 6 more months to do a program that was gonna get me out of prison early.

I've been in a slump and haven't had the materials to even attempt to keep posts coming to the blog. However I feel like I need to talk to all of you because I'm ~~sure~~ sure someone has a story or experience of defeat they can share with me right now. I also know that my sharing with you will be of a help as well so here I am.

I'm sorry for not sharing sooner and I'll get back in a rhythm of sending posts in. The waves of life can take you to the highest of highs and the lowest of lows and I've found it an honor to share many of them with all of you.

Feel free to contact me about anything going on in your life right now. Take care and may peace be no stranger to you.
