

Music on My Mind Pg 10 of 1

2013 has not been what I hoped it to be but the positive has been my productivity with my music.

Anyone reading this, I beg of your ideas or concepts for music, Raps, songs, and lyrics you'd like to hear. I don't know if I can do much but I can work with your ideas to create the jams you'd like to listen to once I'm out.

I'm taking a serious approach to music once I'm out and I am more talented than one would ever dream of by just reading this. Please contact me with your ideas, ~~and~~ feedback, and I'd love to hear from any musicians, songwriters, entertainers, etc.
