WILL YOU RECIEVE THK MESSAGE??

THE EMPIRE OF ANXIETY
PARANOID MUCH? BY STEPHEN
MARCHE ESQUIRE.COM SEPTEMBER
2013, p.p. 122-124

THIS IS FOLLOW-UP TO MY BLOG THE
PRESIDENT, POLITICANS, MASS MEDIA
AND GUNS FEB. 11, 2013.

I THEN URGED CORE FOCUS BE ON AMERL-
CANS' MASS PARANOIA, NOT SOLED ON
GUNS...

THE FOREMOST "NEW" IN MARCHE ESSAY
LIES IN THE DIAGNOSTIC AND STATISTICAL
MANUAL OF MENTAL DISORDER DSM-5.

DSM 5, THE ENCYCLOPEDIA OF PSY-
CHIATRIC DISORDERS. THE MOST VEXING
QUESTIONS ITS AUTHORS FACED: HOW DO
WE DEFINE PARANOIA IN AN ERA WHEN
EVERY ONE HAS REASON TO BE PARANOID.

2d p. 123

IN THE LATEST EDITION OF CONTROVERSIAL

" IN THE LATEST EDITION OF CONTROVERSIAL DSM 5 (RELEASED THIS PAST SPRING), THE BIBLE FOR SHRINKS, ITS AUTHOR CHANGED THE DEFINITION OF SOCIAL-ANXIETY DISORDER IN A SMALL BUT CRUCIAL WAY. PHOBIAS USED TO REQUIRE IS THAT THEIR SUFFERERS KNOW THEIR ANXIETY TO BE EXCESSIVE OR UNREASONABLE. THAT CONDITION HAS BEEN REMOVED: INSTEAD, THE ANXIETY MUST BE OUT OF PROPORTION TO THE ACTUAL DANGER OR THREAT IN THE SITUATION, AFTER TAKING CULTURAL CONTEXTUAL FACTORS INTO ACCOUNT. AMERICAN PSYCHIATRY HAS ACCEPTED THIS OLD PIECE OF WISDOM: YOU CAN BE PARANOID AND RIGHT AT THE SAME. " Id p. 124

"DR" BOB DYLAN, ON COVER OF ROLLING STONE. COM SEPTEMBER 12, 2013; TOLD US IN CIRCA 1960S; BECAUSE YOU ARE PARANOID; DOESN'T ^{MEAN} NO ONE IS AFTER YOU!

KNOWING, WE ARE AT THIS POINT: STIFF — STILL WHAT TO DO ABOUT ALL THIS MASSIVE GUN VIOLENCE.
