

Clouded Views by Ronald W. Clark
I sit on death row day after day
Watching my life waste away
Yet I think back on a life I once had
Where times now don't seem so bad
Thinking of all the love I had
But the drugs surely clouded my view
And ruined my life and others too.

"Life As I See It"
Life as I see it surely can't be
The way we live life back here unfree
For this is truly not a life
And anyone can see
That life back here just isn't meant to be.

Good morning! I hope my reply finds you having a wonderful day. I'm glad you enjoyed my art work. I'm going to be placing some new stuff up soon.

I need some help getting this website info out

psvr@earthlink.net

IF you could help me with this, I'd be very grateful. I'm trying to help get the death penalty abolished and the time to do it is now. This madness has went on far too long. Any help to educate people on this would be greatly appreciated.

Thank you for your time and I hope you continue to enjoy my art and blog.

In Peace & Love

Bonnie
