I have been a prisoner since (1990)  
In that time I've seen society shift in  
gender power - in the work place and in the  
home. In many cases I believe it's way over  
do. men have been selfish and poor managers  
in general. Sharing all aspects of life with  
females is what was intended by our  
creator.

I used to hear women use a term  
to describe men e.g. (Pigs) I also heard  
other terms to describe my male counterparts  
and never really took it seriously. Now that  
I'm 52 years old and have lived in tight  
quarters with other males. And I think I  
could find stronger and more fitting words for  
men.

Our society needs good women to  
take control because we have screwed up  
everything.

We need to stop putting so much  
emphasis on our privates and totally on us -  
(Brains) I think if I were a woman I'd  
be a lesbian. So many men suck. But  
ladies do know men mature slowly. It's  
taken me all this time to catch up  
with a 25 year old woman. Still no  
excuses - Right - we really do think

differently for the first part of our lives. One thing for sure men and women need to stop being crule - AND don't waste too much time on your appearance. That's not going to hold a mate. Women need to lower their Bar when selecting a life long mate. If he's bald 5'5" with other blemishes might want to explore further - you might just find he's the perfect diamond but needs a little shining up. A woman expectations of a man is a bit too much. So ladies find someone that is at ease with him self and a non judgemental man - you just might find a keeper. Also don't be in a hurry - let you enjoy your 20's you can't Relive em.
