

His Grace Is Enough

Want to have the grace of Jesus?
Then try putting aside lust;
Anger, hate, or any resentment;
Blasphemy; or any filthy language-
Out of your mouth...

Also stick with the truth!
& try not telling lies...
& stay in the now!

Your sins are forgiven!

So put on tender-heartedness...

& be gentle with all!

& try & follow the Ten Commandments

Then his grace is yours!
