

Dear Rita,

09-18-13

Howdy! It's so great to hear from you!

I received your letter! Wow!! Thank you so much! I have already sent my letter & you should receive it soon if you haven't yet. It's so nice to see your picture!

Thanks so much for your kind words. Right now I'm reading Vanity Fair - it's my favorite magazine. Before that I read a gay sex book that someone gave me. It was actually boring. I have a stash of books under my bed & I haven't decided what I'll read next.

I'm so glad you had a nice visit with George. It's wonderful that you traveled so far to visit him. I really hope he gets out soon.

I've heard of Carl Sandburg, but haven't read any of his work.

You should send that guy some photos of your paintings. I loved the postcard of the one painting you sent & have it on my shelf.

Thanks again so much for all your support. Much love to you!

Big Hugs,
