

Hey "Paul", great to hear from you again. You help fuel my fire. You are well suited for cyberspace as you can only go by "Paul" there and do not have to defend your words. Your motto should be "cowardice". When was the last time you put yourself at risk for others? Ya Right. Just let me know when you would like to exchange ideas face-to-face - I'm game. Wear your best skirt!

Viva La Revolucione!
