

A MESSAGE TO THE UNIVERSE  
[IS THERE ANY BODY OUT THERE]!!

WILL YOU RECIEVE THIS MESSAGE??

OPRAH WINFREY AND HINT OF A NERVOUS  
BREAKDOWN

MS. WINFREY, DURING A RECENT INTER-  
VIEW, INDICATED WHILE RUNNING HER  
LUCRATIVE ENTERPRISE AND SIMULTANE-  
OUSLY MAKING HER NEW MOVIE THE BUTLER  
[A BOX SMASH!!!] SHE FELT ANXIOUS.  
SYMPTOMS SUGGESTING AN ONCOMING NER-  
VOUS BREAKDOWN.

LAYMAN DIAGNOSIS: AFTER HER SHOCK  
OF HER LOVED LAST MOVIE 1998'S BELOVED  
FLOPPING AT THE BOX OFFICE, NATURALLY SHE  
WOULD BE ANXIOUS... FEAR REJECTION -  
TO TRY ANEW!

BUT OBVIOUSLY BELOVED WAS EXTRE-  
MELY TOO BLACK FOR HER GENERAL  
AUDIENCE!!!!

BUT A MOVIE WITH OPRAH RELATED  
TO SERVANTS TO WHITES IS MUCH MORE  
EXCEEDINGLY COMFORTING TO THAT AUD-

IENCE !!

SO, BE WELL AS YOU WERE!
