RANT TO RAVE 9. end. 2013

I wonder!
Do you think they would
Ever f*ck with A JIGGA
LIKE ME XXX

I Laugh out Loud! At the facade of the world.
Its, so artful American-euro-eccentric fab. (fabrication)
I Mean- what's the true point in putting up a Black family
ON the American world podium if it's not for true soul searching
and Change, Unless, Now! The Sacrifice and Murder of one
ethnic man is not enough. The American-euro eccentric world
Crave for the Taste of the blood and flesh of ~~the~~ his wife
and child extending from their sacrificial murder.
Why should anybody Be held accountable for their injustice
Sinful Act in this euro-eccentric world. Lets all bet, off
the fact of this notion - "Hell, ~~it~~ Exist No more.
As the Obama family makes their tours around the American world
podium I cant help but to think why is the modern family of
today's, day, Mexican and white...?

I wonder would A Salma H., Adamari L., Sofia V., Gloria T.,
Shakira, Pamela S., Ever answer A J-Pay invite.

Lets be real with each other for once. A Selena, An Ana Patricia
Go., (who most likely pronounce her name with a heavy Latin accent.
which I might, Add is a European Language, sh*t we were both
conquer by them. Shell never be able to speak Spanish properly
As I will never be able to truly speak English.) Amanda
[Good God! she so beautiful.] Marjorie [beautiful] Eva Men. or
Long. IS for the Justin, Channing of the world and if they do
decide to venture out, it would be a J-Lo, Eva Men. thing;

"Good Enough For a step up and a f*ck...
Good God! that Vicki Chcek Alessandra Am, is so sexy.

SO, Lets just say that they venture out and decide to procreate
and conceive another LA LA.

would it be appropriate to consider that off-spring as the next
thereof, as African American and Not Black and Mexican or just
Mexican, as an ethnic child, person and raise it according
to that.

Did you guys see how J-Lo dis Randy on one of those
American Idol season. I think it was the one with the
Spanish girl who lost to Phillip P... She call Randy a
CRAZY girl who lost to and then ran off to get P. Diddy.
What was she trying to say exactly.
Because I think I know.

You know I watch Anne H. in all of the Princess Diaries
and found myself coming to terms, that the only reason why I
watch broke back mountain is because of her. And when I was
expose to her sweet pink Raspberry blossoms, I caught myself
and subconsciously ask myself;

Am I suppose to find this appealing or should I consider this in the light as they consider an indigenous African Women with her Beautiful Black Raspberry blossoms expose to the world in a National Geographic magazine or episode.

What about Nina P., Jennifer L.? we no it's n no for Taylor s. After that, whole Kanye situation she may never go near a Jigga again, unless it's about money.

But Kanye seems to be doing good. He snatch up Kim. Wiz and Amber seems to be doing well.

What About Alyssa, Catherine Zeta, Jennifer A.? we know it's a know-way for Sandra.

She was married to Jesse for crying out-loud.

What about Michelle W. or Mila K.? Okay! so

Lets take me out of the picture and be straight up. Why isn't a Jamie, Kendrick, A\$AP Rocky, Taye,

Chris, sexy or suitable.

Good God! If Angelina Jo. Loose any more of her

Parts she want be even good for Brad.

Lets all pray for her.

we know Nicole R. Amnt f*cking with Any Jigga.

Maybe I should just stick to my Nicki Minaj, Kerry's, Beyonces, Hallies, Rihannas, Teraji P,

Melanie, (wait a minute, did I say Halle? wait a minute. she pulled a Jo Lo. we're not good for everything else but procreation. "Her mother's right" she's out!). Ashantis, emelis, christina m, - you know christina. I don't see the difference and if you are of sound mind neither would you.

Gwyneth P. would rather sleep would a man with a iron heart instead of one with a cold one.

"we're both fashion out of what the world made us." It's just-mimes is of; flesh and boulders.

Christina Ri. is just bad, Now. How about this. You take the time out to study me on wednesday and I take the time out to study you on friday and we both just come to the logical conclusion, that we should just forget about the days of the week and focus on us.

Do you think Jammie K, Kite H, or christina Ag, would get down? Not above the table, you say. You know! I think you just might be right.

And while I'm at it, why don't you all back up off of Lindsay. she's so beautiful it's crazy she just needs to pick her friends wisely.

I know one thing for sure. They ain't cooking shit. I'm tired of eating Ant poison. soul food ain't bad for you. It's what them sisters put in it that is.

With her I have soul to.

3 RANT TO RAVE 9. End 2013

We know Katy P. is pulling a Fergie, she's going to find her another Russell G. ~~shit~~ ! She throw Pixes dust in ~~her~~ SNOOP FACE.

Everybody remember Megan F. when she played in that that movie with Amanda S. But I remember Amanda why wasn't Megan feeding on any brotha ~~in~~ ? Do you think she would have got ~~her~~ full ! I can guarantee, it would have took some time to wear off.

Grisele nint, I don't carry if it's Denzel.

We just know Heidi will ! She got 2 or 3 out of Srel. To bad it didn't work out. To many out side forces at play, most likely.

What I really would like to know is who is Turquoise most cheeky on page 49 above

Alessandra in the Vickie fall catalog because, I'll take 4 scoop of her with a Gwyneth P. on top.

Let me get my bottle of Viagra's right now ! I might need to take a trip to the hospital. What happen ?

I took to many of these. Well, how many is to many ?

About, 5 or so - at once...

I'll be on a permanent liver, kidney, tongue ment diet for the rest of my life.

Do you think 5 inches thick and 16 inches ~~long~~ Long big enough.

But, what, do I know. I'm just trying to build social support.

5 CONSCIOUS REFLECTION 9 End 2013

I caught some of The Emmy's [Emmy's Announcement]
~~yesterday~~ yesterday on 9-22-13.

And seen Sofia V. in that Red "whatever" !

Good God ! You could put a red plastic TRASH BAG on her and everybody would think it's a Renown fashion designer new and latest creation. I swear, I could be working out getting money 1 1/2 hours a day and putting in "2 and a half hours" a day on that ASS...

I'll be on a straight liver, tongue and kidney diet for the rest of my life, if I every had a chance to crack Sofia V.

wondering if it's fat & long enough.
