1) YES, I'm in solitary now, and have been for 5 yrs.

2) Washington State

3) YES I can get out. It takes 9 months, interaction free, level-4 status, but to get to level-4 (we all start at level-2) we must be reviewed by all staff who get to write comments on the review board. One bad comment and you don't get promoted.

START: level-2

30 days interaction free  
put in for level-3 review  
60 day later put in for  
level-4 review.
