

Dear CJP,

Thank you for transcribing my posts. Would you like to get involved in the reform effort in a deeper way? We are searching for someone to construct a website for our newly renamed organization "Bread & Water" (formally CURE-ARM). Is this possibly something you can assist us with? Please let me know???

Thank you again and I hope to hear back from you very soon.

Peace,

A blue handwritten signature, appearing to read "Timothy", is written below the word "Peace,".
