

to "Friends & Comrades"

Salutations & Revolutionary Greetings!

I have been momentarily delayed with my communications & political activities

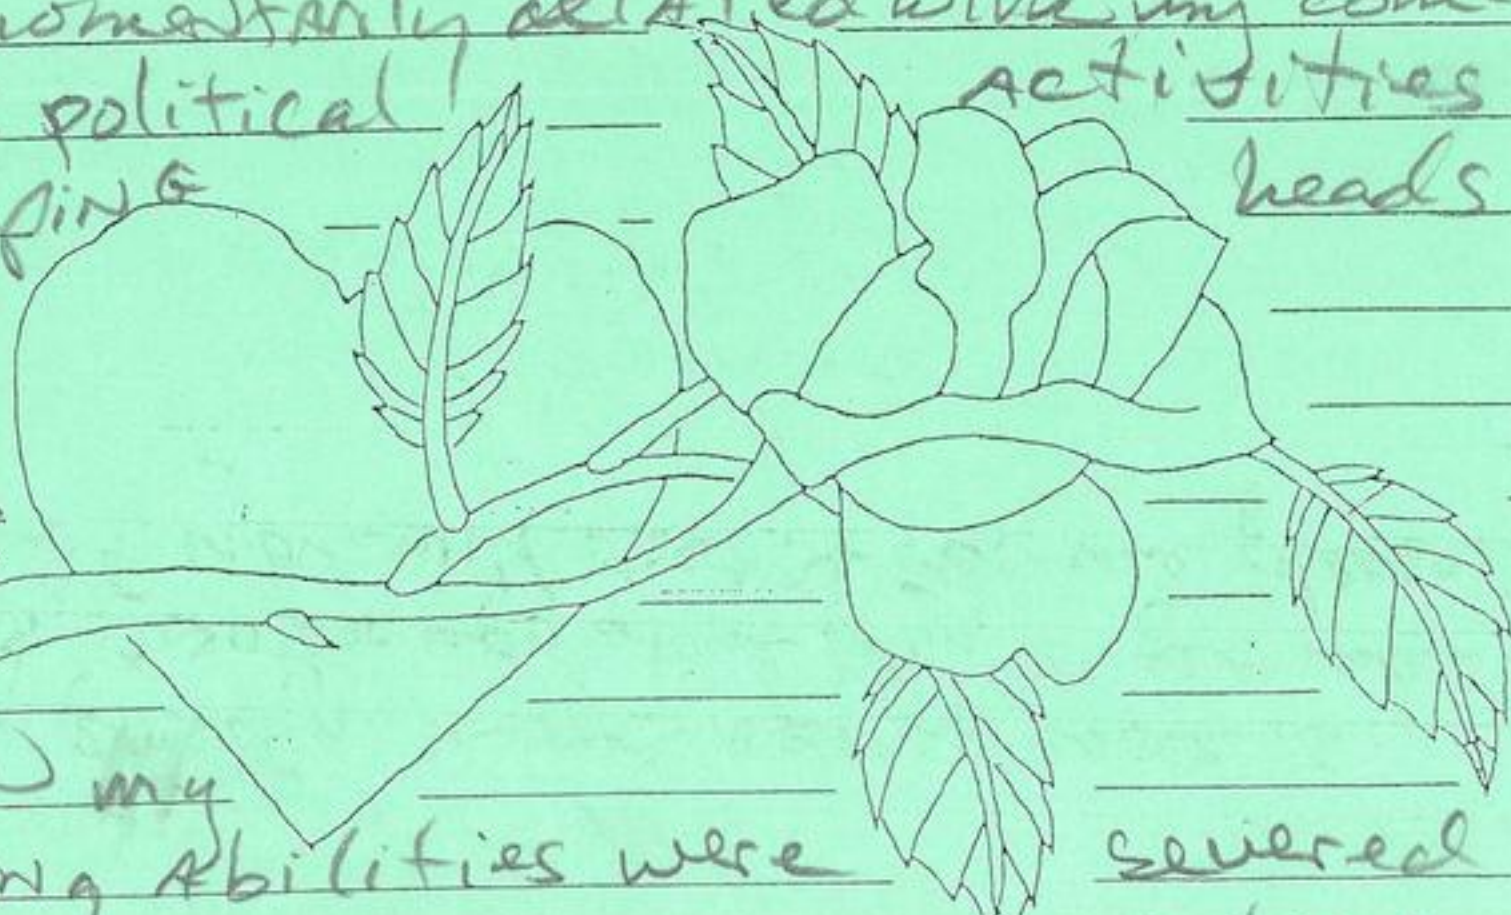

due to my bumping & with the

establishment here in prison.

Looked away in the

dungeon my communicating abilities were

heads

severed

For a brief moment, But new communication  
lines are back up & functioning as they should.  
The struggle continues on. Political activities  
resume & my life as a "political prisoner" goes  
forward. (Also attempting to additional online connections)  
Still awaiting contact with like minded  
Friends & comrades to join with me in my struggle  
as a political prisoner, universal eternally to final  
victory.

gours in the fight  
for "Freedom"!
