

Dear Rita,

10-14-13

Howdy! Yes, I got your wonderful letter + saw your lovely face!

Yes, I absolutely love reading biographies of royalty. If you like, then yes you can send a photo of a royal family. I'd love it. I used to ~~collect~~ collect royal china - stuff like coronation cups + plates on jubilee celebrations. I really miss all the nice things I used to have.

Yes, I am a Disco Queen! I do like different types of music, but since we only have one playlist on our MP3's, I've been buying mainly only dance music so I have my own personal disco.

No visits. My parents are deceased + I am estranged from the rest of my relatives. There's no ~~love~~ love lost there, I assure you. It would be wonderful to visit you sometime, but please keep in mind that you have to be on my visitor's list first, which requires you to send in a form. It's a real hassle.

What happened with George? I hope he's free.

Yes, we have a small library + I can order one book a month from the local county library. And I love to escape by reading.

I cannot believe you failed your course! How can you fail as long as you turn something in? Everyone has a different opinion of what's good.

I'm glad to hear you enjoyed your trip! I really wish I could go somewhere.
