Dr. E [REDACTED]

Well, it seems the time has come to move little TROUPE back home to IMU North. If you read the e-mail thread below you will see that I spoke with TROUPE yesterday and informed him that I felt he was stable enough to return to the unit. I know that the CUS would like him back and as soon as I get the okay from you that he is medically stable, I will put in the HSR to transfer him back to IMU North.

Let me know as soon as possible if you feel he is ready.

The Peanut Gallery:

I do know that I am the one who is in charge of handling IM TROUPE, but P [REDACTED] B [REDACTED] recently returned from his deployment and I assume he will resume his duties as Psych Associate for the unit. Should he be the one to take over this case or should I remain. Let me know your thoughts on the matter.

Thank you.
