Dear Little Pilgrim,

Howdy! Thanks as always for your support. I've had another bad week, but I'm managing.

Days in prison are the WORST gossips! It's crazy! These are men who often were/are in gangs & used guns to commit crimes & did all sorts of stuff, & they gossip like crazy. We call it WATH.COM, the "rumor mill." Oh, well.

Yes, I still hear from Rita & received a wonderful letter from her which included a picture so I know what she looks like! I am always grateful to hear from both of you.

I hope you have a very Happy Halloween! Do they celebrate Halloween in Belgium? It's probably my favorite holiday.

Take care of yourself!

Hugs,
