

RAWT TO RAVE

8 conscious reflection 11/2013

SELF-HATRED.

I

THE

Finally

INTERNAL CONFLICT

get an
opportunity

WITHIN!

To get out of

The cell. It's early October, 2013 in the afternoon and
It's yard and gym day.

All my life! It's been like this. I can feel it. I can see
it. I can hear it. Then it become clear. How can I
stop them, guide them. Why should I walk willingly into these
immoral immortal cultural traps. Why should I be sacrifice
by the blacks. shit!!! I refuse to be ~~be~~ the slave of the
white man. But I'll be a god-damn! If I'll be the
slave of the black man.

I don't no why he compel me to go through with life.
It get so hard. I ask myself, I pray to him constantly,
down right shout at him with all my heart and soul.
And what! He gives me -- understanding...

I no longer fight hard with these mass murderers, the
world labels as doctors, physicians, medical providers.

They, they... How do one put it into words... I guess
it's best that I just say - I - put up a little fight because
I'm just tired. It's not self-destructive, sacrificial or
martyrdom notions that ~~I'm~~ I'm expressing here. It's

my unbridle prejudicial hatred I'm so, expressing here.
I wish for everybody to see what I see, ~~what I see~~ what

these two legged animals - their hidden atrocities committed
daily. So, as this and the ever so neat picture of GBR

(Gangsta Blood Rage) talking Lil BCN (Blood Cry Now) up
out of his draws as GBR wear them well into the middle
of the night, which is so evident for all to see at Nourning
mainline, when little BCN come out of his cell barely
walking, is on my mind. while I'm in the gym.

I'm walking around observing my surrounding, getting the feel
of thing as Judah Canaanite and 2nd Abel hit the court.

4 on 4 on a 3 on 3 court. Yes that don't make any sense.

I know. But it's the way with us, doing senseless ~~shit~~
shit. But this is an intentional act. They're waiting for

me to ask if I'm the fool, the idiot. Then why, as if I'm the idiot.
You know! That's how we are perceived. US negro people.

were incompetent, immoral, deceitful people with no self
loyalty, or cultural loyalty, etc, etc...

I hear this sound off in the background as I walk around
consoling my thoughts.

J.C. (Judah Canaanite) just bit deep into his bottom ~~lip~~ lip.

He's punishing himself for the wrong he has done and about
to do. J.C. is Black, Ethiopian. He lick out his tongue
and push out his bottom lip to show his self-punishment.

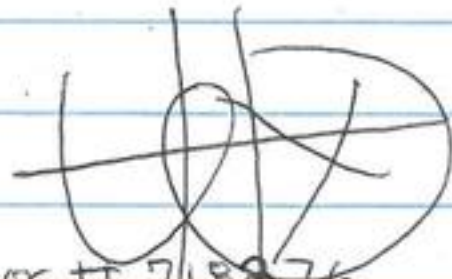

RANT TO RAVE

conscious reflection

I don't agree with a lot of things in life, but I'm just one man. I hear something going on which snap me back to a more conscious state. It's J.C. He has found a willing victim, so I'm setting down on the bench as J.C. fire on 2nd Abel. It's the lesson I've been feeling ^{earlier} ~~earlier~~, I had to learn that day. But it was not what these black life creators, failures was trying to teach me for I'd all ready knew that. It was what god was trying to teach me. J.C. got 2nd Abel by his beautiful curly natural, serving him shots to the face. Two black correctional officers finally get it, and physically get into the whatever and stop J.C.

The saddest thing is I don't think J.C. is gone to be around to much longer. It's just to hard living as us too. Some win and some loose their ~~internal~~ internal battle, war too

I'm step down, bare.
Please! I beg of you.
Don't ridicule me because
of my nudity.
