

REDEMPTION, LTR. 34

THE ULTIMATE PURPOSE OF OUR TRANSFORMATION GOES FAR BEYOND ANYTHING THE HUMAN MIND CAN IMAGINE OR COMPREHEND, BECAUSE EVERYTHING WE KNOW ABOUT THE NATURE OF THE UNIVERSE SHOULD BE TAKEN SERIOUSLY AS THE ABSOLUTE TRUTH, THAT ALL US DIFFERENT LIFEFORMS COME FROM OUTER SPACE, THAT LANDED HERE ON A METEOR WITH LIVING ORGANISMS THAT EVOLVED INTO SEA CREATURE ANIMALS, & HUMANS, TO INHABIT THIS ROUND GLOBE WE NOW CALL EARTH, AND EVERY BEING ON EARTH IS OUR RELATIVE, SINCE WE ALL COME FROM THAT SAME POINT OF ORIGIN, AS YOU WILL NOTICE OTHER BEINGS DID NOT STOP EVOLVING, UNTIL IT CREATED US HUMANS, TO FIGURE OUT THE MYSTERY OF OUR EXISTENCE, BECAUSE MAN IS INEXTRICABLY TIED TO EVERY OTHER LIFE ON THIS PLANET, AND IS ORGANICALLY MADE FROM THE SAME ELEMENTS AS ALL LIVING THINGS, AND EMBODIES THE SAME FUNCTIONS OF EVERY OTHER LIVING ORGANISM, AS MAN ELEVATES ABOVE THE ROLE OF SIMPLY "LIVING" BY THINKING ABOUT OUR EXISTENCE, AND HOW WE EXPLAIN ALL OTHER LIFE, SINCE THE OXYGEN IS GENERATED BY PLANTS, WE SEE LIFE FORCING ITS OWN EVOLUTION ON A MASSIVE SCALE, WHEN LIFE WAS FIRST EMERGING, THE EARTH SEEMS TO HAVE BEEN MAINLY A GREAT BIG OCEAN, DATING BACK TO THE CAMBRIAN PERIOD, WHERE SEA CREATURES HAD MULTIPLIED FROM OUT THE WATER, AND POSING A MORTAL DANGER TO THEMSELVES & THE MANY OTHER BEINGS WITH WHOM THEY SHARED A HOME... THE PANGAEA ERA WAS FORMED ABOUT 270 MILLION YEARS AGO THE EARTH WAS STILL CONNECTED TOGETHER, AS OUR PLANET WAS BOMBED WITH ASTEROIDS & COMETS, THAT LEFT SIZEABLE PROPORTIONS OF ORGANIC MATTER, THAT REPRESENT THE "UNSEEN" FABRIC OF OUR UNIVERSE, AS 25% OF THE UNIVERSE IS DESCRIBED AS "DARK MATTER" AND 70% IS "DARK ENERGY", WHICH IS A ENIGMATIC ENTITY THAT PLAYS A VITAL ROLE TO ALL LIFE, AND THE ACCELERATING EXPANSION OF THE UNIVERSE... THE ENORMOUS QUANTITIES OF ORGANIC MATTER FELL TO EARTH, BEING GENERATED BY THE SUNLIGHT, SETTING THE STAGE FOR THE ORIGIN OF LIFE, AS LIFE MUTATED & ADAPTED TO A CHANGING ENVIRONMENT THAT FELL ON THE EARTH 4 BILLION YEARS AGO, ORGANIC MATTER CONTRIBUTED TO THE ORIGIN OF LIFE, AS THESE BODYS & THEIR FRAGMENTS, BURNED UP ENTIRELY AS THEY PLUNGED INTO THE PLANETS EARLY ATMOSPHERE, AND OTHERS SURVIVED UNSCATHED, WITH CARGOES OF ORGANIC MOLECULES SAFELY DELIVERED TO THE EARTH, AND BEFORE THE CONTINENTS DRIFTED FURTHER APART, PULLED BY THEIR UNDERLYING PLATES, I BELIEVE THAT ALL LIFE BEGAN IN THE CENTER OF EARTH'S LAND MASS, WHICH IS WHY AFRICA CONTAINS ALL THE FIRST ANIMAL & HUMAN REMAINS, THAT ALL CONTAINED A BLACK ORGANIC MATTER, ALSO KNOWN AS MELANIN THATS IN OUR DNA, DROPPED FROM OUTTA SPACE...
